AMENDMENT

Director of the U.S. Patent and Trademark Office  
Washington, D.C. 20231

Sir:

In reply to the Office Action mailed May 21, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claims 1-6 as follows:

1. (Amended) A synthetic resin container which body is attached with an in-molded label, wherein the body is provided with a vertical rib along left and right edges of the label.
2. (Amended) A synthetic resin container which body is attached with an in-molded label, wherein the body is provided with lateral ribs at upper and lower portions, and vertical ribs at left and right portions of the body, to surround the label.
3. (Amended) A synthetic resin container which body is attached with an in-molded label, wherein the body is provided with a lateral rib and at least a vertical rib along edges of the label, and the edges of the label are positioned in the ribs.
